

# Human Right: Why women are deprived of their education rights?

---

**Grabber:** It is stated in an estimation of UNESCO, including 34.3 million of primary school age, 30 million of lower secondary school age and 67.4 million of upper secondary school age, a total of 132 million girls are not getting the chance to go to school around the world.

**Connecting Sentences:** In order to find out the reason for this huge number, we have to look at multiple barriers like child marriage, poverty and violence etc. These barriers pose a big threat to women's education when we factor in the mentality of our men controlled society.
